LETTER OF REFERENCE BY WELCOME

In 2015-2019 WCBKT S.A. – Central Military delivered GPU-7/90 TAURUS ground power units to WELCOME Airport Services Sp. z o.o.

The equipment was manufactured on time in accordance with the requirements of the agreements and is used perfectly for handling aircraft operating at WAW (Fryderyk Chopin Airport in Warsaw) and KTW (Katowice International Airport in Pyrzowice) airports in favour of several dozens of carriers.

The TAURUS model units are excellent for all types of aircraft.

The high quality of the equipment and the constant service protection of the manufacturer ensure many years of reliable use of the equipment.

In order to meet the expectations of customers and market requirements, WELCOME Airport Services Sp. z o.o. provides the highest quality of services in cooperation with reliable and experienced suppliers of GSE equipment. Wojskowe Centralne Biuro Konstrukcyjno-Technologiczne S.A., which has many years of experience in supplying and servicing power supplies for aviation, is one of the best of these suppliers and we strongly recommend it as trusted partner.
